MARYCREST ASSISTED LIVING  
2850 COLUMBINE ROAD  
DENVER, COLORADO 80221

## The Mission

Marycrest Assisted Living, a ministry of the Sisters of St. Francis, provides supportive, caring services in a home-like environment that enhances independence and quality of life for under-served persons with disabilities and seniors. Staff, residents and families together create a peaceful community which nurtures the spirit and values the dignity of each person.

## Convenient Location

Marycrest Assisted Living is located in northwest Denver off Federal Boulevard and between two major freeways, I-70 on the south and I-76 to the north. The former Marycrest school site retains landscaped grounds and quiet setting, all within walking distance of shopping and restaurants.

## Call today

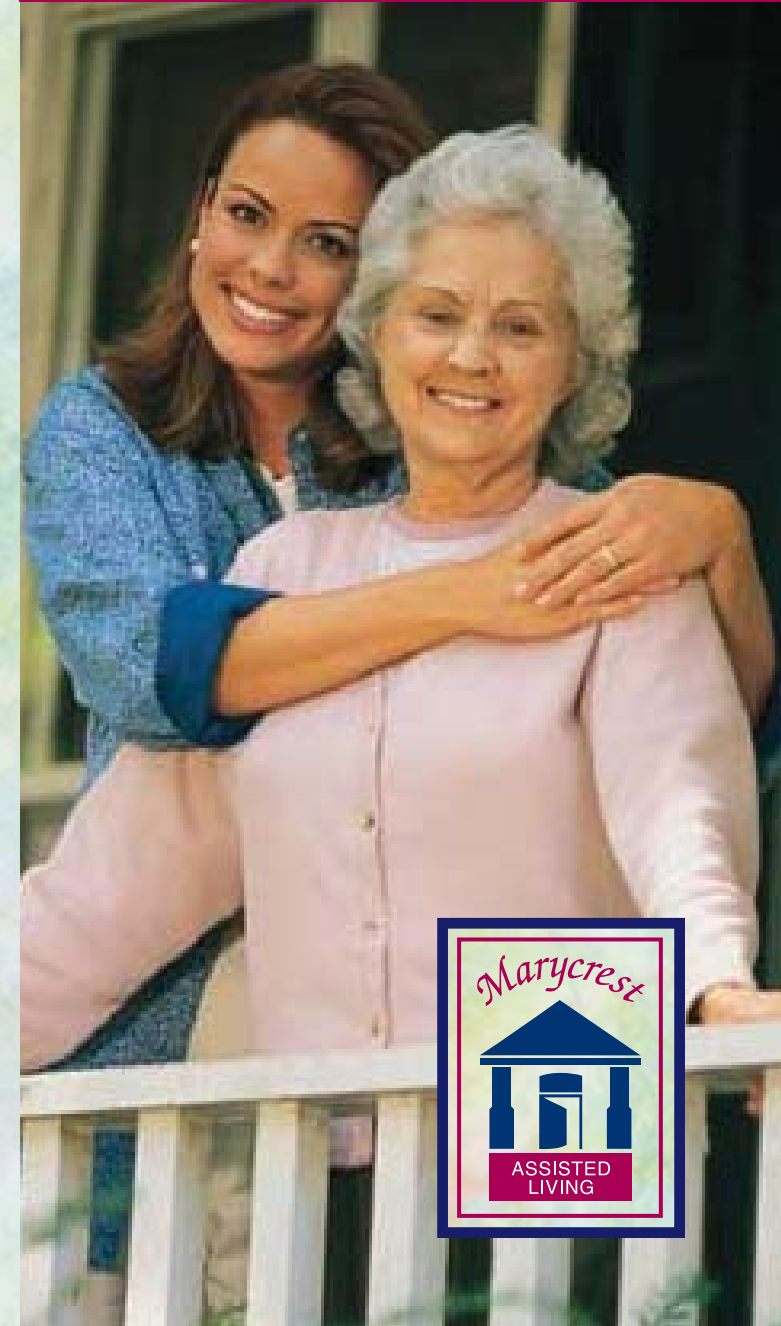

For a personal introduction to Marycrest Assisted Living serving seniors and non-senior adults call, 303-433-0282 or visit our website.

# Experience The Difference.

# Comprehensive Assisted Living

Welcome to the finest in assisted living where caring for the whole person...body, mind and spirit are the foundations for quality of life. A variety of services including housekeeping, laundry, personal care and meals are the essentials for quality care.

Marycrest Assisted Living offers security and peace of mind where one can enjoy life to its fullest.

## The Community

Marycrest Assisted Living serves a diverse group of individuals. Situated on the beautiful Marycrest campus in northwest Denver, there are two separate and distinct residences. Serenity Residence for senior adults age 55 and older and, Harmony Residence for non-seniors ages 18-55 years old needing the support and care of assisted living.

*Private payment or Medicaid/HCBS is accepted.*

## Amenities

Private studio apartments designed for people with physical care needs provide the setting in both residences. They feature a small kitchen area and, large bathroom with a walk-in shower. Other amenities include:

- Urgent call system in each apartment
- Large living rooms with fireplaces
- Library
- Beauty / barbershop
- Complementary laundry facility
- Prayer room/chapel
- Campus walkways and enclosed courtyard
- Dining room
- Recreation and activity area

## Services

A full menu of services provides the essentials for quality care in addition to supportive care which include;

- Individualized personal care for bathing, dressing and grooming
- Round the clock staffing
- In-house physician
- Licensed preferred provider on-site daily
- LPN
- Continence management program
- Medication monitoring / administration
- 3 meals daily, plus snacks
- Housekeeping
- Social, recreation and spiritual activities
