Welcoming Summer at Marycrest Assisted Living

Summer begins and we are ready to welcome it. Lots of celebrations and updates coming your way.

First, you may notice that your June calendars are a little less full. Our lovely Roberta will be taking a leave of absence, so things need to shift around a little. Jesse will do her best to make sure the days are still fun. Be sure to pay attention to your monthly and the daily schedules for activities.

We are excited to introduce our new maintenance director Christian. You have probably seen him around and noticed several of the changes he has already made.

Something to Pon-Door

We want to take this to educate you on doors in the community. A few concerns have been raised, and we want you all to be aware of our policies.

First, please do not prop open any doors in the community. This may not seem like an issue, but it can create a few hazards. Propping doors that lead outside can result in people wandering into our community without proper check in at the front desk. The last thing we want is to expose our residents to harm so please keep the doors closed. If you have a hard time with the outside doors, please press your pendant and staff can assist you. We also ask that you keep doors inside the community closed. Propping doors inside can be a fire hazard, and we do not want a potential fire to make its way to your rooms.

Second, please do not open the doors for anyone. We understand that there will be deliveries and guests during non-business hours, please allow our staff to address these guests. It is important for our staff to know who is always in the building.

Smoking Policy Reminder

We know we have addressed it before, but it needs to be stressed again. **There is no smoking or vaping allowed by the front doors at all and no smoking allowed in rooms.** We are still seeing residents smoking out front and this is not only a violation of our House Rules but also breaking Colorado State Law. **Smoking inside is a violation of policy and a danger to residents around you, especially if they are on oxygen.** It has never been allowed inside the building ever. **To prevent further incident, we ask that residents please stop sharing cigarettes and handing them to others.**

Smoking marijuana is federally illegal and cannot be smoked or stored on our premises.

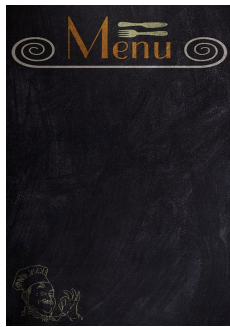

We want to remind you that you have signed House Rules that state that you understand this policy and understand the consequences. If a resident is found to continue violating the smoking policy, it can lead to corrective actions up to and including termination of your lease.

Donations and Volunteers

Our community is always looking for donations and volunteers. Bingo prizes, games, craft supplies, etc. are always accepted. Holiday items are accepted on a seasonal basis. Please refrain from donating clothing. If you are looking to volunteer, volunteer packets are available at the front desk. Please fill them out and return them so you can start a rewarding experience with our residents.

Any questions, please reach out to Jesse: 303-433-0282 ext. 334

Menu Update

Chef Mark is going to be streamlining and finessing our alternative menu. The popular items will remain, but some of the less popular items will be removed. This is to help make our service more efficient. Menu items will be served as it is printed on the menu with no additions or alterations. Any questions please see Mark.

Stay Hydrated

Summer is here which mean the sun is going to be out and making things hot. To keep yourselves safe from the heat, be sure to drink plenty of water. If you go outside be sure to wear sunscreen, sunglasses, and a hat. Stay cool this summer

June is a special month that celebrates many minority groups. June celebrates Pride, National Immigration Heritage, and Caribbean American Heritage all month. Additionally, Juneteenth celebrates the end of American slavery. What a privilege to live in a place where your differences are celebrated!

Life Enrichment

Here at Marycrest we strive for an excellent life enrichment program to keep our residents engaged and full of life. Our activities range from Bingo and crafts to guided meditation and movie nights. We are looking for ideas and bringing in entertainers and music. If you know anyone who would enjoy performing for our residents or have an idea for an activity, please contact Jesse: 303-433-0282 ext. 334

Father's Day Car Show

We will be having our annual Father's Day Car Show on June 20th @ 10 AM. Join our community as we enjoy old cars, music, trivia, and food in celebration of our fathers.

The Butterfly Pavillion is Back!

Join us Thursday, June 4th as we refresh the large planters in front of our buildings with The Butterfly Pavillion. They will be here at 10AM, we will begin at Serenity and move over to Harmony.

Human Foosball Anyone?

Since the start of the FIFA World Cup is June 11th, why don't we have a little game of our own? Join us in the Serenity Lounge and Harmony Dining Room as we have a little sport of our own.

Country Store Changes

With Berta gone, the country store hours will be changing to make sure both buildings still get to shop. Harmony's will be at 9:30 AM and Serenity's will be at 11:00 AM. They will still be held every 2 weeks, check your calendars to see what days.
